**PART 'A'**

2009 was the NAAC Re-accreditation year for the College. The Principal, as Chairperson of the Internal Quality Assurance Cell (IQAC), reconstituted the IQAC Committee and different criteria in charges for preparation of RAR. In view of the forthcoming NAAC Re-accreditation, the Cell chalked out a plan of action to work towards quality enhancement and to assess the outcome of the academic year.

Following were the IQAC members.

Chairman:	Principal Madhuri M. Shanbhag
Coordinator:	Prof. S. Y. Prabhu
Sr. Admin. Officers:	Prof. U. S. Arlimatti Dr. P. T. Hanamgond Dr. N. D. Hegde
Members:	Prof. K. M. Kotraswamy Dr. V. A. Kupawade Prof. S. K. Hukkeri Prof. Meena Satyanarayan Prof. A. K. Mense Prof. B. L. Majukar Prof. Praveen Patil Smt. N. D. Kamat (Librarian) Shri M. J. Ternikar (Phy. Dir.) Shri Arjun Kolkar (Off. Supdt.)
Management Members:	Dr. M. R. Shanbhag Shri Sudhir Shanbhag
Local Society Members:	Shri Jagdish Kunte

On 21 and 22 Sept 2009, NAAC Peer Committee visited the college for Re-accreditation.

during the Reaccreditation
process.*

The IQAC held extensive discussions and worked out the below-detailed plan of action to promote, enhance and monitor the quality of the teaching-learning process and the pursuit of excellence. The planned measures are under three heads:

- A. Student-centered Activities,**
- B. Staff-oriented Activities, and**
- C. Up-gradation of Infrastructure**

A: Student-Centered Activities

- 1. 'To start such new courses that will provide students with skills which are in demand and will improve their employability.'**

Action Taken:

The College has introduced the following courses:

- a) **PG Course “Master of Science (Organic Chemistry)”:**
The college has started PG Course “Master of Science (Organic Chemistry)” affiliated to Karnatak University, Dharwad. 24 students have enrolled for this course and have completed first semester and second semester is ongoing.

Prof. S. K. Saidapur, VC Karnatak University, Dharwad at the inauguration of the PG department

- b) **PG Diploma Course in Computer Applications (PGDCA):**
The college applied to the Karnatak University, Dharwad, for permission to start PG Diploma Course in Computer Applications (PGDCA). Permission to start the PG diploma programme from the next academic year has been received.
- c) "Global Skills Enhancement Programme" was conducted to enhance student skills in Analytical and English Language skills useful in entrance examinations and to improve their employability in BPO and IT industries. It was conducted by Prof Anuja S. Naik and Prof U.S. Arlimatti (both Department of English), and Dr. P. T. Hanamgond (Department of Geology).

- e) The Language Departments conducted the following:

A short course in “**Functional English**” for First Semester students was conducted by Mrs.A R Kulkarni.

- f) **Hobby Center:** The Hobby Center, under the supervision of Prof (Mrs) M D Tarlekar, conducted a three-month certificate course in Bag-making, Flower-making, Knitting and Crochet work, etc. Also conducted a course in Personal Grooming, which was very popular with girl students.
- g) A crash course in Computer Applications for B.Sc. II semester students was conducted by the Computer Science department, 15 Feb 2010. 46 students took advantage of this course.

2. ‘To make the College facilities more student-friendly and easily accessible.’

Action Taken:

- a) The college has continued with the “Student-Mentor” Programme whose purpose is to familiarize students with college facilities, reduce student-teacher barriers, and help connect students and the college. Depending upon their subject combinations, a batch of students were attached to a teacher who would act as a friend and guide to them.
- b) The college organized a NAAC-recommended One-day Orientation Programme (designed by CLHRD, Mangalore), for freshers (B.Sc. Part I students). At the orientation programme the students were briefed about the facilities available in the college, and a workshop on how to achieve academic growth and personality development was held.

The College Library conducted a Ten-day Workshop for students on ‘Using Library Resources Effectively’ from 31 August to 9 September, 2009.

Students of SETU, at the workshop

- c) Five SETU members have presented papers on ‘Rights of the Girl-Child’, in the UGC sponsored two day National Seminar held at R.P.D. College Belgaum, on 18-19 Feb 2010.

A Three-day Orientation Programme for B.Sc. Semester 6 students on “Employment & Entrepreneurship” was conducted on 16 - 17 April 2010. Lectures on various

themes were arranged for the students along with assignments focusing on the main theme were conducted as per the brochure prepared by CLHRD, Mangalore. Shri. Kapileshwar, Director of BBA, RPD College, inaugurated the programme and spoke to the students on “Employment & Entrepreneurship”. Shri. Rajendra Pai, Retd. Officer, SBI, addressed the students on the second day, on “How to prepare for different competitive examinations.”

- d) Broadband Internet facility in the library is continued for free use by students and faculty for academic purposes.
- e) Knowledge on Fire Safety with a hands-on demonstration was arranged on 26 July 2009 for the benefit of students.

- f) Founders Day celebration is arranged every year on 6 August, by inviting an eminent personality. Family members of the founders are also invited on this occasion.

Prof. Karve addressing the gathering on “Solid Waste Management”

- g) Donated books to top scoring students.

Donated books to bright students

3. To arrange adequate Placement Services:

Action taken:

The Placement Cell was able to arrange three campus recruitment events during the year. Concepts India, Bangalore, conducted a Campus Recruitment event in the College on 04 February 2010 on behalf of HDFC Bank. Themis Pharmaceuticals conducted campus interviews in the college on 10th of the same month. Thermax Engineering Limited (Thermax Graduate Programme), held Campus Interview events in our college, 30 April 2010.

HCL Technologies Ltd invited our students on 11 March 2010 for Campus Interview at their Tilakwadi center. 7 students attended the event. Our students attended the campus recruitment event held by IGate Software Ltd. at P C Jabin Science College, Hubli, on 17 March 2010. On 12 March 2010 our students attended the Campus recruitment event conducted by Infosys BPO at Jain College, Machhe Campus, Belgaum. Two of our students, **Sukhada Kudturkar** and **Amruta Ingale** (both B Sc Sem 6) were selected for job-offers. In addition, our students attended Wipro BPO's campus selection at Lingraj College, Belgaum, on 13 March 2010, where **Chandrappa Shirur** (BCA Sem 6) was selected and given a job offer.

Career Guidance Cell cum Student Information and Grievance Cell provided information about job market conditions to interested students. Besides, information regarding placements, advertisements for jobs and courses were displayed on Notice Boards for the benefit of students.

4. To strictly enforce Attendance norms:

Action taken:

Strict attendance norms for students were put in place. Parents/guardians of students with deficient attendance during the first term were informed and called for discussions, due to which attendance increased in the second term.

5. To strengthen Alumni Association activities.

Action taken:

Alumnus Appasaheb Gurav, industrialist, has been included in the IQAC.

IQAC monitors activities of the Alumni association of the college. This year the Alumni association undertook many programmes. NRI alumni members of college were contacted for financial support towards developmental activities in the college. Through this support programmes such as GSEP, crash course on functional English, seminars, etc., were conducted.

All departments have been requested to maintain the register of the outgoing students

B: Staff-Oriented Activities:

1. To encourage faculty to undertake higher studies and research-related activities:

Action taken: Faculty members were encouraged to pursue further studies and research activities like major/minor research projects and Ph.D programmes. Eligible faculty members were encouraged to apply for Faculty Improvement Programme (FIP) programme.

IQAC took initiation to conduct 2-day National Workshop on “Research funding agencies and formulating research project proposals”, on 12-13 March 2010. This workshop was sponsored by NAAC, Bangalore. Dr.Hanamgond, SGL Geology, was the Convener. The detailed report is enclosed.

Research - Completed: Nil

Research - Ongoing:

Five faculty members are pursuing Ph.D courses:

- 1) Prof H.B. Kolkar (Kannada Department) has submitted his thesis to Karnatak University, Dharwad for Ph.D Degree course under UGC Xth Plan FIP programme, and is awaiting Viva-voce.
- 2) Prof C. B. Joshi (Department of Sanskrit) “Gangaavatarana: Vishesh Sahityak Adhyana’: Guide Dr M.N. Joshi, Department of Sanskrit Dharwad.
- 3) Prof U S Arlimatti (Department of English) is registered with Karnatak University, Dharwad, for Ph.D course in English.
- 4) Prof (Mrs) S. S. Kalgi (Department of Physics) has registered for a Ph.D Course (December 2007) with Shivaji University, Kolhapur. Topic: “Polymer assisted synthesis of $W_{O_3} 4NiO$ thin films” under the guidance of Dr. P. S. Patil, Thin Film Material Lab, Shivaji University, Kolhapur, under UGC FIP programme.
- 5) Prof (Mrs) A R Kulkarni (Department of English) has registered for Ph D Course at Department of English, Karnatak University, Dharwad, under guidance of Dr

Vijay Guttal; Topic: "Gender Perceptions in the fiction of Indian Women Writers of Diaspora", October 2008, under UGC FIP programme.

Faculty Improvement Programme (FIP)

Two faculty members have been sanctioned leave by the UGC under Faculty Improvement Programme (FIP) to pursue research:

- 1) Prof (Mrs) S S Kalgi (Department of Physics)
- 2) Prof (Mrs) A R Kulkarni (Department of English)

Two Faculty members have currently pursuing M.Phil programmes:

- 1) Prof Uma M Bhoje (Temporary Faculty, Department of Hindi) has registered for M.Phil with Yashwantrao Chavan Maharashtra Open University, Nasik, under the guidance of Dr.B.K.Goturi. Topic: "Malati Joshiki Kahaniyon mein parivarik sambandh".

M Phil degrees awarded to faculty:

The following faculty members were awarded M Phil degrees during the academic year:

1. Prof (Mrs) L S Laxmeshwar (Department of Physics) has been awarded M.Phil, by Madurai Kamaraj University, Madurai, Tamilnadu.
2. Prof.Vyshali Bharati, (Department of Physics) has been awarded M.Phil, by Vinayaka Mission University, Salem, Tamilnadu. Topic of Dissertation: "Structural and Magnetic properties of Ni-Cd Finites", under the guidance of Dr.S.M.Chendke, Jyoti College, Belgaum.

Research Projects:

Ongoing:

- 1) **Three Major Research Projects** sponsored by Ministry of Earth Sciences and UGC have been awarded to Dr. P T Hanamgond of Geology Department.
 - a. "Dynamics of Malvan coast, Maharashtra, west coast, India", Ministry of Earth Sciences, Govt. of India, (MoES) Major Project, MoES/11-MRDF/1/17/P/07-PCIII. Date of start of project 1 February 2008.
 - b. "Estuarine Dynamics of Kalavli, Kolamb and Karli Rivers, With Special Reference to their Impact on Malvan Coast, Sindhudurg District, Maharashtra, India", UGC Major Project, F.No.33-42/2007 (SR). Date of start of project: 1 April 2008.
 - c. Dr.S.G. Adoor, Dept. of Chemistry, has been awarded a Major Research Project by the Department of Science and Technology, New Delhi, "Designing of Novel Modified Polymeric Membranes for Pervaporation separation of Water/Organic mixtures" (SR/S1/PC-21/2009 dtd 20 April 2010); Project cost: Rs.19.38 lakhs.

2) Three Minor Research Projects:

- a. "Synthesis of Nitrogen and Sulphur Hetrocycles of Pharmacological interests", by Dr. R.G. Menon (MRP(S)-437/2006 (X Plan)/KAKA021/UGC-SWRO Dtd: 29 Dec.2005). Ongoing.
- b. "Minimal hyper surface", UGC Minor Research Project; by Dr. K.S.Naik, Department of Mathematics. Ongoing.
- c. "Silica Aerogels for Cleanup, Storage & Safe Disposal of Oil and other Organic Liquids – A Comparative Study" UGC ongoing project by Dr N D Hegde, Department of Physics, Collaborator: Prof A.Venkateshwar Rao, Department of Physics, Shivaji University, Kolhapur.

1. To upgrade Faculty skills and resources:

Action taken:

- a. Faculty members are encouraged to undertake research; 5 faculty members are pursuing Ph D course, while 1 member are pursuing M Phil. Courses.
Prof.U.S.Arlimatti Dept of English
Prof.H.B.Kolkar, Dept of Kannada (Submitted Thesis)
Prof.C.B.Joshi, Dept of Sanskrt (Submitted Thesis)
Prof.Mrs.A.R.Kulkarni, Dept of English, Under FIP.
Prof.Mrs.Kalgi, Dept of Physics under FIP (presently redeployed at RLSc)
- b. Faculty members are encouraged to attend Seminars, Conferences, Workshops, etc. Some of our staff members have presented their research papers in national and international seminars, the details of which are mentioned their biodata.
- c. Broadband Internet connections were extended to all departments in the college.

C: Infrastructure Upgradation:

1. To upgrade facilities as and when necessary and possible.

Action taken:

- a) Construction of new Laboratory Building (estimated cost rupees 2.5 crores) One wing (Ground plus 2) is completed. Where Physics, Chemistry (UG & PG) have been working.

PART 'B'

1. Activities reflecting the goals and objectives of the institution:

Our college has specific goals and objectives, which the teaching faculty strives to achieve through dedicated efforts in partnership with the students.

The goals and the objectives of G S S College are:

- a) To Encourage young minds to embark on the exciting journey of learning and self-discovery.
- b) To Instill a spirit of inquiry and love for learning and develop abilities of reasoning, analysis and assessment of all phenomena.
- c) To Impart Science education at the degree level along with job-oriented certificate, diploma and post graduate diploma courses in certain disciplines.
- d) To Inculcate a value system among students to develop humanism, reverence for the environment and all life forms along with respect for human rights, and
- e) To Use the knowledge so gained as a tool of social change and the overall economic development of the nation in realizing the dream of a developed India.

GSS College activities are undertaken keeping the above goals and objectives in mind.

The college has adequate infrastructure and learning resources, yet constant effort is made to upgrade them whenever necessary and possible. Accordingly, the College organised several teaching-learning activities for our students, some of which are new while the others are mandated by University and Government regulations. This includes conducting field visits, study tours, tests and tutorials, seminars and guest lectures. The College has a Science Association, Alumni Association, Hobby Center, NCC and NSS units, Youth Red Cross, Placement Cell, Grievance & Redressal Cell etc. The Gymkhana Managing Committee of the college organizes the activities such as sports, debating, youth festival, college annual social gathering etc., (**Annexure II**), which strive to train and guide students in academics, sports, cultural activities (dance, music, public speaking) and other useful skills.

The college has continued with the services of Mrs. Ashwini Belgaumkar, a qualified, US trained psychologist as Student Counselor to help students cope with personal and psychological problems.

The Career Guidance Cell under the Chairmanship of Prof. U.S. Arlimatti, continues to work for the benefit of students.

The students grievance cell under the Chairmanship of Prof. Mrs. S.S. Joshi, continues to work for the benefit of students.

The Students Grievance Cell under the Chairmanship of Prof. S.F. Patroti, continues to work for the benefit of students.

Details pertaining to such activities undertaken during the academic year 2009-2010 are reflected in Annexure II and the College Miscellany "Pratima".

2. New Academic Programmes Initiated:

GSS College is aware of the need of equipping students with multi-disciplinary learning and skills to enhance their employability. The PG Centre of Karnatak University, Dharwad based at Bhootram Hatti, Belgaum, is now accorded status of independent University from the academic year July 2010.

With this in mind the College has initiated action to start the following courses:

1. **PG Courses:** the College proposes to apply to the concerned authorities of the new Belgaum University, for permission to start the following PG Courses:

Master of Science (Analytical Chemistry);

M.Sc. in Nuclear Physics;

M.Sc. in Geology

- a) **PG Diploma Course in Computer Applications (PGDCA):** applied to the concerned authorities for permission to start PG Diploma Course in Computer Applications (PGDCA). Permission to start the PG diploma programme from the next academic year has been received from Karnatak University, Dharwad.

3. Innovations in Curricular design and transaction:

Many of our staff members were deputed to attend BoS meetings conducted by the different Board of Studies' of Karnatak University, Dharwad; and now newly established Belgaum University.

The Geology department has continued with the method of modeling some of the topics such as volcano, river, glacier, waterfalls, earthquake, flood management, and student projects etc.

4. Inter Disciplinary Programmes started:

The Karnatak University; and now the newly established Belgaum University has the sole authority to introduce new programmes and courses of study.

5. Examination Reforms Implemented:

The college follows Karnatak University, and from the new academic year will also follow the newly established Belgaum University Examination regulations. We have been conducting regular and periodic tests and tutorials for degree students regularly. Enrichment lectures, student seminars, group discussions are the regular features of the student learning. Test examination (theory & practical) is conducted to prepare students for their final examinations as per the guidelines of Karnatak University.

6. No. of Candidates Qualified for NET/SLET:

Nil

7. Initiative towards faculty development programme:

The college encourages the faculty members to enroll for research programmes, attend conferences/seminars/workshops. One faculty member has submitted his Ph. D. thesis through Faculty Improvement Programme. Currently, two faculty members have been deputed under the UGC Faculty Improvement Programme (FIP) to pursue research: Prof (Mrs) S S Kalgı (Department of Physics) and Prof (Mrs) A R Kulkarni (Department of English.)

Faculty members are encouraged to apply for Major and Minor research projects. Currently, three major and three minor research projects are ongoing.

Society employees (Temporary faculty members) are also encouraged to enroll for M.Phil and Ph.D courses and appear for NET/SLET tests as well.

8. Total number of Seminars and Workshops conducted: Four (Annexure III)

1. Two Day NAAC Sponsored National Workshop “**Research Funding Agencies and Formulating Research Proposals**”, at GSS College, Belgaum, 12-13 March 2010.

Release of handbook by the chief guest Dr.S.H.Pawar, VC D Y Patil Deemed University, Kolhapur, on the theme of workshop

2. Workshop for high school science teachers, from 4-9 Nov 2009, for Kannada and Marathi Medium schools from Belgaum and Khanapur taluks.

3. One-day CME Programme “Khanija-2010” conducted in collaboration with Dept of Rasashastra and Bhaishajya Kalpana, at BMK’s Ayurveda Mahavidyalaya, Belgaum and Geology Dept, GSS College, Belgaum on 4 March 2010.

Participants of Khanij 2010 with resource persons.

4. A UGC Sponsored Two-day National Workshop on “Management of Utilisation & Disposal of Urban Solid Waste”, was organised on 7-8 August 2009.

Prof.Karve inaugurating the national workshop.

9. Research Projects:

a) Ongoing Projects:

Two Major research Projects are currently being undertaken in the college.

- i. "Estuarine Dynamics of Kalavli, Kolamb and Karli Rivers, With Special Reference to their Impact on Malvan Coast, Sindhudurg District, Maharashtra, India", UGC Major Project, F.No.33-42/2007 (SR). Under Dr.P.T.Hanamgond, Geology Department.
- ii. "Dynamics of Malvan coast, Maharashtra, west coast, India", Ministry of Earth Sciences, Govt. of India, (MoES) Major Project, MoES/11-MRDF/1/17/P/07-PCIII. Under Dr.P.T.Hanamgond, Geology Department.
- iii. "Designing of Novel Modified Polymeric Membranes for Pervaporation separation of Water/Organic mixtures" (SR/S1/PC-21/2009 20 April 2010); Major Research Project by DST, is sanctioned to Dr. S.G. Adoor, Dept. of Chemistry; Project cost: Rs.19.38 lakhs.

Three Minor Research Projects sanctioned by UGC are ongoing:

- i. "Synthesis of Nitrogen and Sulphur Hetrocycles of Pharmocological interests", by Dr.R.G.Menon (MRP(S)-437/2006 (X Plan)/KAKA021/UGC-SWRO Dtd:29 Dec.2005). Ongoing.
- ii. Dr.K.S.Naik, Department of Mathematics, "Minimal hyper surface", UGC Minor Research Project, Ongoing.
- iii. Dr N D Hegde (Department of Physics); Silica Aerogels for Cleanup, Storage & Safe Disposal of Oil and other Organic Liquids – A Comparative Study; Collaborator: Prof A.Venkateshwar Rao, Department of Physics, Shivaji University, Kolhapur, UGC Minor project, Ongoing.

10. Patents generated, if any: None

11. New collaborative Research Programmes:

1. Dr.P.T.Hanamgond, Department of Geology continued his collaboration with:
 - a) Dr. G.N.Nayak, Marine Science Department, Goa University, for beach processes and geochemistry of sediments.
 - b) Dr. S.V.Divekar, Department of Chemistry, Gogte Institute of Technology, Vishveswaraiah Technological University, Belgaum.
 - c) Dr. R.S.Hiremath, Department of Rasashastra, KLE's BMK Ayurveda Mahavidyalaya, Belgaum.
 - d) Dr.N.Basavaiah; and Mr.P.B.Gawali, Indian Institute of Geomagnetism, Mumbai.
2. Dr.N.D.Hegde, Department of Physics has collaboration with Prof A.Venkateshwar Rao, Department of Physics, Shivaji University, Kolhapur.

12. Research Grants received from various agencies:

- a. Dr.P. T. Hanamgond, Geology Department: 2.532 Lacs by UGC (2nd Installment for his major research project)
- b. Dr.S.G.Adoor, Chemistry Department will be receiving the grant by DST shortly.

13. Details of research scholars:

- i. Prof Pranav Pitre, (Lecturer in Chemistry) has joined Ph.D course "Water quality studies of River Kali (U.K) and its tributary Pandhari, Karnataka, India", under the guidance of Dr. S.V.Divekar, GIT, Belgaum. Dr. P.T. Hanamgond, Department of Geology, GSS College is a Co-guide.
- ii. Mr Rajesh S. Hood has joined as Project Fellow in the MoES Research Project sanctioned to Dr. P.T.Hanamgond, Department of Geology.
- iii. Mr.Shivraj Patil, has joined as Project Fellow in the UGC Research Project sanctioned to Dr. P T Hanamgond, Department of Geology.

14. Citation Index of faculty members and impact factor:

- i. Prof Madhuri Shanbhag's short story "Pritam" is selected for inclusion in Standard X Textbook for year 2009-2010 onwards of Maharashtra State Secondary Education Board, Pune.
- ii. Prof.Meenaxi Gosavi, Nasik, is doing M.Phil on Madhuri Shanbhag's short stories "Ek Streewadi Drushtikon" under the guidance of Dr.Mangala Wankhede, Yeshwantrao Chavan Mukta Vidyapeeth, Nasik.
- iii. Smt. Kavita Patil, Malegaon, Nasik is working for her Ph.D on "Madhuri Shanbhag Vyakti ani Vangmay", under the guidance of Dr.Ushatai Shinde, Pune University.
- iv. Prof. Swati Waghmare, doing M.Phil on "Madhur Shanbhag's short story collections "Punarvasan" and "Neerasi Mohamaya" on the topic "Adhunik Steeche Chitran" under Dr.Shruti Vadagbalkar at Sholapur, under Shivaji University, Kolhapur.
- v. Prof. Meera Tarlekar's Poems have been included in the theses "Adhunik Kaviyatranchi Kavita", by Sanjeevani Tadegaonkar, Jalana, 2009-10.
- vi. Citation index of Dr. P.T.Hanamgond's research is enclosed separately (**Annexure VI**).

15. Honours/Awards/Fellowships to the faculty:

Prof.Meera Tarlekar, received Shaila Sainakar Smruti Award from Dakshin Maharashtra Sahitya Sabha, Kolhapur 2009.

16. Internal Resources generated:

Some of our faculty members conduct Advance Coaching Classes for CET, AIEEE and other competitive examinations. Through this coaching Rs. 5.0 lacs was generated, which is being utilised for the general development of the college.

17. Details of departments getting SAP, COSIST, DST, FIST, etc:

Department of Geology received a grant of Rs.75,000/- from NAAC, for organising 2 day workshop “**Research Funding Agencies and Formulating Research Proposals**”, at GSS College, Belgaum, 12-13 March 2010; and Rs.30,000/- from UGC, towards National Seminar “**Management of Utilisation & Disposal of Urban Solid Waste**” held on 7-8 August 2009.

Dr.P. T. Hanamgond, Geology Department: 2.532 Lacs by UGC (2nd Installment for his major research project)

Dr.Susheel Adur, will be receiving shortly first installment from DST for his Major Research Project.

18. Community services:

- i. Mrs Nilima Kamat, Librarian, is continued to work actively in various social activities. She is a member of “Pratishabd”, an organisation that takes up cultural issues relating to women, children and environment. Under the aegis of this organisation, she was involved in Stree mukti yatra, street plays “Hennu Huttitavva”, which was presented at the National seminar organised by RPD College. She is one of the trustees for Govindadham Shikshana Sadhana Trust, which runs 10 balawadis in villages with financial support from Kasturba Trust and Social Welfare Department of Karnataka Government.
- ii. Prof S.Y.Prabhu, Department of Zoology, has continued to work actively in preservation of the environment under the aegis of NGO Paryavarni.
- iii. Prof A.K.Mense, Department of Geology, continued his association with many social and literary organisations. He is Hon.Secretary of Sarvajanic Vachanalya (Oldest Public Library), Belgaum. He is the Director of "The Belgaum City Mazdoor Co-Operative Credit Society Ltd.", Belgaum, which works for the economic development of the poorest of the poor of Belgaum. He is one of the Trustee of Annapurna Mahila Mandal, Mumbai.

Flood relief distribution to villagers of Kamatnoor by NSS unit.

**19. Teachers and officers newly recruited:**

Teachers: Permanent : **45** Temporary: **15** Non-teaching: **31**

Teachers appointed this year on Permanent basis: **Nil**

20. Teaching - Non-teaching Ratio: 1.58 : 1

(Total Staff: Teaching: 60: Non teaching: 38)

21. Improvements in the Library services:

College Library is now fully computerized. Students can get information about the books they want at a click of the mouse. It has made the task of knowing the status of a book and its availability very easy, and as a result, students can take immediate decisions regarding what books to borrow.

Four computers with Broadband Internet have been installed for the use of students. These are kept in glass cabins. This will be of enormous help to students in preparing for seminars/presentations and collecting required information for studies and research. The library facility is extended to the faculty from SKE Society's other institutions, outsiders and researchers also.

22. New books/journals subscribed and their value:

Total 862 books for total value of Rs.1,53,365=00 were added. 25 Journals worth Rs.18403=00 have been added.

23. Courses for which student assessment of teachers is introduced and the action taken on student feedback:

All Departments conducted student assessment of teachers. The feedback was consolidated and the appropriate information was passed on to the concerned staff for appropriate action.

24. Feedback from the stake holders:

Feedback from students and parents are taken in writing. Based upon that, a evaluative report is prepared and circulated for the concerned for implementation. Feedback from Alumni is received during the periodic alumni meetings.

25. Unit cost of education:

Total number of students enrolled for B.Sc (Semesters 1 – 6) is **534**.

Total fee collected is **Rs.2151206=00**.

Hence unit cost of education is **Rs.4028=00**.

**26. Computerisation of administration and the process of admissions and examination results, issue of certificates:**

The administration of the college is fully computerized. Preparation of Salary–sheet of the staff, timetable chart, processing of admission forms and making a list of eligible candidates, allotment of examination work, declaration of results and issue of marks-cards, are computerized.

The college office has nine computers, and five printers, which are networked. Maintaining of Accounts and all accounting work is done on computers using “BRAIN” software. The Office, too, has an Internet connection.

27. Increase in the infrastructural facilities:

- a. Two new computers, have been installed in office.
- b. Infrastructure development in the different departments is undertaken as and when needed.
- c. 862 new volumes were added to the Library.
- d. Internet Broadband connection exists in all Departments.
- e. Construction of new Laboratory Building (estimated cost
- f. Rupees 2.5 crores) first phase consisting of ground plus two is completed where Physics, Chemistry departments are working.

28. Technology Upgradation:

- a) Faculty members were encouraged to use Power Point and LCD facility, logging on to Internet, Email, use of search engines, etc for their regular teaching.
- b) Central Audio Visual hall has been established (Room No.27). Faculty members engage their lectures using LCD through power point presentations.

29. Computer and Internet access and training to teachers and students:

Computers have been provided in all the departments.

A crash course on Computer Applications for B.Sc. students was conducted by the computer science department 15 – 16 February 2010.

The Library is computerised. Students can use the computers to find the status of books, and search more information about the books/literature they need. The library staff has been trained in the use of computers.

Broadband Internet facility is available free in the Library for students and staff. In addition, Broadband Internet is connection is available in all departments. The Departments of Geology has Broadband Internet connection installed out of MoES grants.

30. Financial Aid to Students:

Financial aid to degree students has been extended to the tune of Rs.1 Lac. List enclosed separately (Annexure IV)

31. Activities and support from the Alumni Association:

"Global Skills Enhancement Programme" was conducted to enhance student skills in Analytical and English Language skills, with partial support from the alumni fund.

The crash course on functional English for 2nd semester students, was conducted by Prof. A.R. Kulakarni of English dept that was sponsored by GSS alumni.

The certificate course on "library maintenance" for 4th semester students was conducted by SETU, sponsored by GSS Alumni.

The college conducted Karnatak university wrestling competitions on 20-21 October 2009. Rs.10,000 worth prizes were sponsored by Alumni Mr. Uday Ajsaonkar, Mumbai.

A crash course in computer application was conducted for Second semester students, by computer science dept sponsored by GSS Alumni.

39. Development programme for non-teaching staff:

All the members of non-teaching staff are encouraged on a continual basis to upgrade their computer skills with the help of Computer Science faculty.

40. Good Practices of the Institution:

- A. **Monthly Teaching Plan:** Every Department prepares a monthly teaching plan of the lectures, practicals, and syllabus to be covered in the coming month and is recorded by every staff member in the Teacher's Diary. After the month is over, the Head of the department reviews the teacher's diary and is forwarded to the Principal.
- B. **"Student-Mentor Programme"** The College started a "Student-Mentor" Programme whose main purpose is to reduce student-teacher barriers and establish a liaison between students and the college. Depending upon the subject combinations, the students in each department were attached to a teacher for the student mentor programme.
- C. Most faculty members, especially from the Language Departments, set apart about 10 minutes of their lectures during which students are encouraged to come on to the platform and speak for 2 minutes on the subject of their choice. This has evoked a good response from the students, who have found it very effective in developing confidence and public speaking skills.
- D. Biology, Physics and Geology departments have been involving students in doing student projects, which is an additional activity apart from their regular curriculum. Students are also encouraged to undertake student projects.
- E. Dress code for students has been introduced from June 2010, such as Salwar Khameej or Jeans and long top for girl students and Pant, Shirt or Plain T-Shirt for boys.

41. Linkages developed with National/International, Academic/Research bodies:

Dr.P.T. Hanamgond, Dept. of Geology, has developed linkages with Goa University, Karnatak University, SDM Engg College, IIRS Dehradun, GIT Belgaum for his research collaboration.

Dr.N.D.Hegde, Physics Department, has developed linkage with Dept of Physics, Kolhapur University.

42. Action taken report on the AQAR of the previous year:

A. Student-Centered Activities:

1. To offer more interdisciplinary courses:

- a) **PG Course “Master of Science (Organic Chemistry)”**: The college has started PG Course “Master of Science (Organic Chemistry)” affiliated to Karnatak University, Dharwad.
- b) **PG Diploma Course in Computer Applications (PGDCA)**: Permission to start the PG diploma programme from the next academic year has been received from Karnatak University, Dharwad.
- c) Conducted Global Skills Enhancement Programme.
- d) Conducted Orientation Programmes for Semester I and VI students.
- e) Conducted Functional English Course

LIBRARY REPORT

The high – roofed bright and airy hall of the Library accommodating 250 students at a time and catering approximately 41,000 books. Books are classified subject –wise. Our students have an open access to the library and the library provides facilities to search books on computer as well as the catalogue cabinet. Dozens of reputed magazines encourage students to visit this temple of learning.

The students can make use of library from 7.30 am. to 5.30 pm. and during examination till 8.00 pm. We provide psychological counseling the students along with career guidance for the last 24 years . More than 1000 students take advantage of our Competitive Examination Books Section. The students benefit from Reference Books Section (Encyclopedia, Dictionaries, Gazetteers etc.) and free Internet facility. This year more than 300 students have availed this facility. Our Library committee keeps functioning actively for the development of the library. We have ten members of the staff and two students in Library committee as members. Our Library Committee has visited the libraries of various local colleges like GIT, JNMC and Lingaraj College, Belgaum, to be abreast with the new methods and technologies used for the betterment of library facilities.

From the last two academic years we have started a new method of issuing Library cards (ID & Borrowers card) on the spot at the time of admission so that the students enjoy library facility at the earliest.

In addition to that Library Department conducted ten days Workshop for the students on 'Using Library Resources Effectively' from August 31 to September 9, 2009. On the occasion of 'The International Girl Child Day', SETU organized a function, in association with Innerwheel club, on September 30, 2009. Ms. Nirmala Jogalekar was the chief guest and the SETU members have performed poetry recitation touching upon various aspects of a girl's life. SETU members performed 'Beti aayi hai', a street play in the National Seminar held at R.P.D. College, and in the valedictory function of G.S.S. College Ladies Association. Our five SETU members have presented papers on 'Rights of the Girl-Child', in the UGC sponsored two day National Seminar held at R.P.D. College Belgaum.

Our library staff encouraged, helped and assisted the students to apply for the Science Academies' Summer Research Fellowship Programme 2010.

During the current academic year the following distinguished guests visited our Library and appreciated our Institutional facilities.

LADIES ASSOCIATION

The activities of **Ladies Association** of our college, for the year 2009-2010, began with its grand inaugural function held on 24-08-2009. Smt. Rekha Yashodhan Joshi, an alumni of the college and a well established business-woman at Pune, was invited as the chief-guest. Her talk on '**ENTREPREUNERSHIP**', specially arranged for the girl students included all the details of starting a business and was very effective.

Ladies Association provides the girls, a platform to display their talents. In this context , a number of competitions in various events were conducted in the month of February 2010. The girls showed great enthusiasm and participated in all events in large numbers. Skipping race, cooking, singing and dancing competitions were a few which the girls enjoyed the most. There was a huge response for thought-provoking events like story-writing and slogan-writing too.

The **valedictory and prize distribution function** of Ladies Association was held on 24-02-2010. The chief-guest Mrs. Manisha Subhedar, a well known journalist from daily newspaper 'Tarun-Bharat', delivered a talk on 'Journalism as a profession'. The prizes to the winners in various competitions were given away by the chief-guest.

The '**Ladies Day**' function was a huge success owing to the co-operation of all the lady staff-members of the college. The skit 'Beti Aayi', under the direction of Mrs. Neelima Kamat and Mrs. Namita Samant and performed by the girls, was the attraction of the day. I take this opportunity to thank all the teaching and non-teaching staff members for their whole hearted co-operation in all the activities. I also thank prof.(Mrs.) Vaishali Bharati for her help through out the year. Lastly, I thank our Principal Prof.(Mrs) M.M. Shanbhag and vice-president of Gymkhana committee, Prof.A.K. Science Association

The Science Association for the year 2009-10 was constituted in the month of august 2009 and comprised of the following members:

- 1) Dr.S.M.Deshpande – Chairman
- 2) Prof. S.N.Desai - Member
- 3) Prof. S.S.Pawar - Member
- 4) Prof. A.M.Khandekar - Member
- 5) Prof. P.P.Patil - Member

The activities of the Science Association were inaugurated on 7th august 2009 by well known scientist Dr, Anand.Karve, from Pune. The chief-guest of the function addressed the gathering on the subject 'Environment and impact on society'. During the NAAC visit in the college, the photographic exhibition of the past programmes of the Science Association was displayed in room no. 27.

Intercollegiate chemistry quiz competition was organized in the college. Science colleges from Belgaum District have participated in the programme. Prin.(Mrs) M.M.Shanbhag inaugurated the event. The winners were given the prizes by Prof.(Dr) B.V.Badami K.U.D. on 10/2/2010

In collaboration with Marathi Vidyan Parishad, Belgaum Division various competitions like quiz, essay writing and science story telling were organized for high school students in the college.

Our students participated in: 1)The quiz competitions organized by All India Radio Dharwad. 2)The divisional level science exhibition held at Sirsi,organized by Dept of Collegiate education and K.V.Parishad. 3) The exhibition on Biodiversity organized at Belgaum by R.L.Science institute and K.V.Parishad Bangalore.

The valedictory function of the Science Association and celebration of the National Science Day was observed in the college on 25/2/10 .The chief guest Dr.R.B.Gadag from K.L.E.Engineering College,spoke on the occasion on the topic"Carbon credit".

I am thankful for the co-operation and encouragement given by Prin.(Mrs) M.M.Shanbhag,Prof.A.A.Khanolkar,M.sc.CO-Ordinator and Prof.K.M.Kotraswamy,H.O.D. Chemistry in arranging the lectures.

BCA REPORT

BCA section has stepped into the third year and on behalf of our department, I am happy to present this report to you. This year we are running a full-fledged BCA section. This year was the activity filled year and students got fantastic exposure through various activities and projects .

A first In-house Technical fest "**TECH TRAP** Creep the Best " was organized on 17th & 18th April 2009 by the students & staff of BCA. The fest was the combination of various competitions.

Icy world – The Ice breaker event
Horizon –The IT quiz event ,
Big Bang – The Debate event
Tycoon – The Marketing event ,
Brain waves – The Rapid application development .

This event was a great success as every student of BCA participated.

Our students participated with passion and shown fierce competitive spirit. They shined in various IT –Fests in the city & brought laurels to the college. The following students bagged the prizes in "Prodigy -09" a National Level IT-Fest conducted by Jain College .

IT Quiz - First Prize

1. Shreyas Desai & Yunus Beedi

Designing & Presentation - Second Prize

1. Ateek Tashildar & Rohan Raikar

Dance Competition - Second Prize

Rohan Raikar , Sujit Birje , Deelip Kagalkar & Ateek Tashildar

Our students bagged two **General Championships** this year.

• First was conducted by JGI Orators club. The following are the winners

Just a minute - First Prize

Viraj Nilajkar

Debate - Third prize

Viraj Nilajkar

Quiz - Second Prize

Shreyas Desai & Rohan Raikar

Group Dance - Third Prize

Rohan Raikar , Sujit Birje , Amarnath Shelar , Deelip Kagalkar & Pratik Shanbhag

Ad-Mad Show - Third Prize

Swati Mallurkar , Viraj Nilajkar , Vandana Yesoji , Pratima

Kulkarni & Roopali Dhabholkar

- Second in “eternus – V 10” a National Level IT Fest conducted by Bharatesh College of BCA.

IT Quiz – First Prize

1. Shreyas Desai & Yunus Beedi

Junk Frenzy – First Prize

1. Viraj Nilajkar
2. Chandrappa Shirur

Ice breaker – First Prize

Ateek Tashildar , Mrunalini Mohite , Mahesh Deshpande ,
Chandrappa Shirur , Yunus Beedi , Viraj Nilajkar & Shreyas Desai .

Dr. V. N. Bhave had conducted two software skill courses –

- A web server programming course was conducted for BCA – IV sem. students from 12th Jan 09 to 7th Feb. 09
- A HTML course was conducted for BCA – III Sem. students from 21st July 09 to 21st Aug. 09

Like every year we had conducted an orientation programme for BCA - Sem.I students, **Incite-2009**. This programme was conducted by Prof.A.V. Kapileshwari and a group of senior students of BCA 3rd and BCA 5th semester. The activities conducted consisted of the following events: Join and make, Effective communication, Quiz, Funny paper dress making, Treasure hunt etc.

Founder’s day 2009 was jointly organized by BCA and BBA section on 6th of August 2009. On the same day a talk on “ Ways of Rural Development “ was delivered by Dr. Anand Karve , President Appropriate Rural Technology Institute (ARTI)

A study tour for 50 students of 6th semester was conducted on 9th & 10th Jan. 2010. We visited CMC Ltd. Mumbai and Bombay Stock Exchange. This tour was a great success and was really a memorable one. Thanks to Dr. V.N. Bhave who made this tour possible.

Along with all extra-curricular activities , BCA students excelled in academics with 91.11% result of Sem-V , 88% of Sem-III & 67% of Sem. I .

The toppers of our college are -

Sem I

Vandana Yesoji - 1st
Dhiraj Kamat - 2nd
Roopa Yallur - 3rd

Sem. III

Jaylaxmi Mudliar - 1st
Pooja Desai - 2nd
Pranali Sawant - 3rd

Sem. V

Dipiti Vernekar - 1st
Manisha Patil - 2nd
Jayashree Pujari - 3rd

Our first batch students `had attended campus interviews of various companies such as HCL , IGate , Infosys & Wipro held at various places

I express my gratitude towards S.K. E. Society who are the motivators. I would like to thank Principal S.B. Kulkarni for his consistent encouragement. I also thank all the teaching & non teaching staff for their support. I am sure, with our strong teamwork we will excel in the years to come !

R.D.Shanbhag called upon teacher participants to carry the information gained in workshop to their schools and pass it on to their students.

The workshop consisted of various modules based upon 9th and 10th standard Science and Mathematics syllabus. Following staff of GSS College worked as resource persons for the workshop. Prin (Mrs) M.M.Shanbhag, Prof. D.P.Deshpande, Prof.N.R.Malgi, Prof.S.K.Hukkeri and Prof. (Mrs) S.V.Kulkarni and Prof. B.M.Topinkatti all from Department of Physics

Prof. (Mrs) M.S.Deshpande and Prof A.K.Samant both from Department of Chemistry

Prof (Mrs) Meena Satynanarayan and Prof. R.N.Anandache both from Department of Mathematics

Prof. A.L.Gadgil and Prof. S.Y.Prabhu from Department of Botany and Zoology respectively

Prof. U.S.Aralimatti from Department of English

Prof. A.K.Mense delivered lectures on "Making of a Teacher" and Earth Science.

As a part of workshop a trip to "GIT Belgaum" was arranged. Prof.S.K.Ambekar, GIT Belgaum, briefed the participants on "What is Engineering all about?" Participants were also given training about "Internet Browsing" at GSS BCA College. A small demonstration about the experiments of Physics and Biology was given. Along with specific subjects, general talks on "Parents Expectations", "English Communication", "Study Techniques" and "After SSLC ????" were also arranged.

Workshop was concluded on 09th November 2009. Dr. Anil Kalkundrikar, Director, IMER Belgaum was chief guest for valedictory function. NAAC Sponsored Workshop on
Research Funding Agencies and Formulating Research Project Proposals,
held on 12-13 March 2010

REPORT

Day One – 12th March 2010:

The two day national workshop was inaugurated and declared open by Prof. (Dr.) S. H .Pawar, Vice-Chancellor, DY Patil Deemed University, Kolhapur, by lighting the lamp accompanied by Shri.R.D.Shanbhag, Chairman, South Konkan Education Society, Belgaum; Principal Mrs.Madhuri M. Shanbhag; Prof.A.K.Mense, IQAC Coordinator; and Dr.P.T.Hanamgond, Convener & Selection Grade Lecturer in Geology, GSS College, Belgaum.

At the outset, the handout with CD pertaining to the theme of the workshop was released by the chief guest and the dignitaries on the dais.

The chief guest Dr.S. H. Pawar in his address highlighted the importance of research in higher education, qualities of a researcher, growing need for researches in the colleges, challenges ahead and maintaining the standards in the light of globalization. Further, he presented an exhaustive presentation on How to prepare a project proposal, the key elements of project proposals including the thrust areas in Physics, covering the basic researches to biomedical nanoscience.

In the first technical session Dr.A.S.Vaidya, Associate Professor, Academic Staff College, Bangalore presented his talk on the basic and key elements on what is research, why research, scope and importance of research, ethics in research etc with facts and figures. During the post lunch session three invited lectures were presented- 1) Dr.T.Venkatesh, Professor of Mathematics, Karnatak University PG Centre, Belgaum, gave his talk on "Thrust areas in Mathematics". In his talk he stressed upon identifying the problem, prepare strategies to approach and tackle the identified research problem. 2) Dr.Shreekant Karleker, Professor of Geography, SP College, Pune, presented the importance and use of Statistics in analyzing, presenting and interpreting the research data with the aid of computer and associated operating programmes. He also included the thrust areas in Earth Sciences including Geography, Geomorphology and Geology. 3) Dr.G.S.Gokavi, Professor of Chemistry, Shivaji Vidyapeeth, Kolhapur, gave his talk on "Thrust areas of research in Chemistry" highlighting need of principles of green chemistry, solvents, water as a reaction medium, ionic liquids as a reaction media, super critical carbon dioxide, Polyoxometalates etc., and 4) Dr.P.T.Hanamgond, Convener & Selection Grade Lecturer in Geology, conducted a laboratory session giving a hands-on experience of using internet for searching websites for Funding Agencies, downloading formats, research literature (research papers, ebooks, online journals etc), at BCA Dept. Laboratory of GSS College. He also explained the contents of the Workshop CD.

Day Two - 13th March 2010:

On the second day three invited talks were arranged- 1) Dr.Bhagyashree Shanbhag, Professor of Zoology, Karnatak University, Dharwad. She presented her talk on "Thrust areas in Life Sciences" wherein she highlighted the use of human resources and brain to start a research without much scientific instruments at the initial stage of research career, choice of research area, different methods to carry out the research, studies related to animal behavior and conservation etc. She also demonstrated her laboratory experiments of monitoring ground lizard behaviour. 2) Dr.B.K.Purandara, Scientist, National Institute of Hydrology, Belgaum, presented his talk on "The integrated researches in water resources". He emphasized the need for non compartmentalized and integrated researches for water resources joining hands by Physics, Chemistry, Geology, Geography, Statistics, Mathematics, Remote Sensing & GIS etc., and 3) Prof. S.S.Shinde, presented his talk on "Accounts and Auditing Procedures", with a basic information of accounts, how to prepare vouchers, maintain books of accounts, ledgers etc.

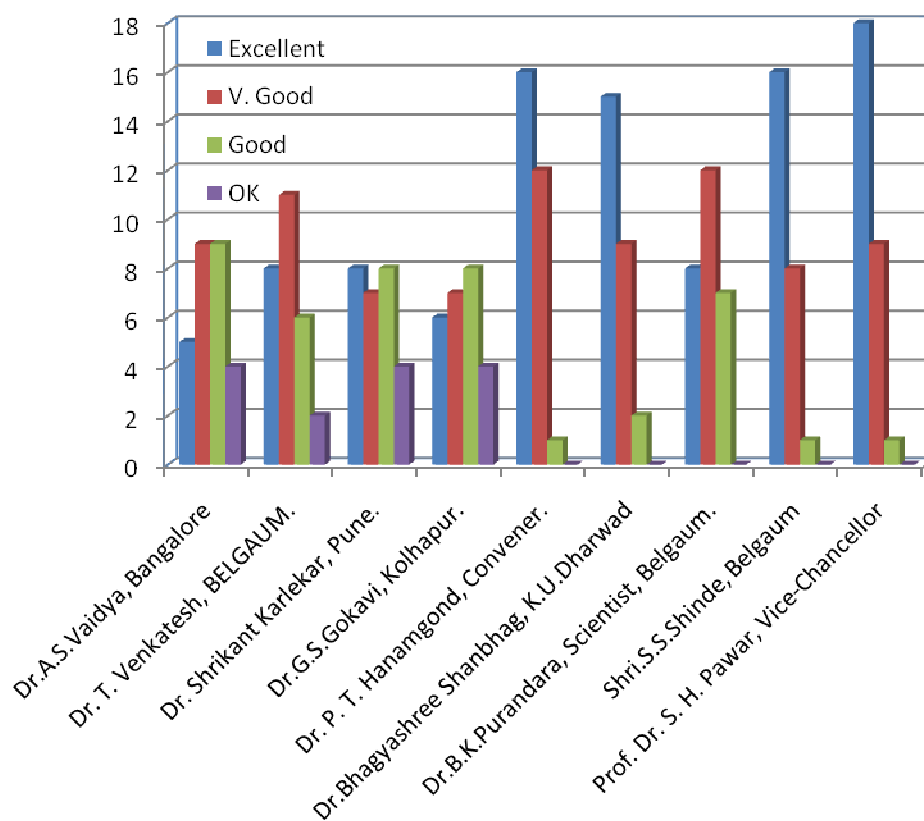

At the end of the session, three research proposal presentations were made by the participants for mock evaluation. Dr.Purandara, Scientist, NIH, Belgaum, chaired the session. Dr.S.C.Hiremath, (Dept. of Chemistry, SB Arts & KCP Science College, Bijapur), Dr.Bhagyashree Yargop, (Dept. of Geography, Tilak Maharashtra Vidyapeeth, Pune); and Dr.Sunil Gaikwad (Dept. of Geography, SP College, Pune) presented their research proposals.

At the valedictory session, Dr. B. Venkatesh, head, National Inst. of Hydrology, Belgaum, was chief guest, and Dr.M.R.Shanbhag, Chairman, GSS College Governing Council, SKE Society, Belgaum, presided over the function. Prof.A.K.Mense, IQAC Coordinator, welcomed the gathering and Dr.P.T.Hanamgond, Convener, proposed the vote of thanks. The chief guest and the president of the function stressed the need of research for college teachers and advised to take the opportunities and facilities given during the workshop and also the facilities available at the institutions where they are working wished them a great success in their future career.

Over 50 participants attended this workshop out of which 6 participants from Pune, Maharashtra and 6 participants from Goa attended the workshop. The rest of the participants were drawn from Belgaum and surrounding districts, including the host college.

The feedback of participants was taken in writing as well as oral from the participants. Overall, the participants expressed their view as the workshop was of highly relevant, innovative, motivating, enriched talks, very carefully and meticulously designed and executed the programme catering the need of the college teachers from basic – what is research to the Accounting procedures.
