CONDOLING the death of 25-year-old woman lecturer who was allegedly set ablaze by a 27-year-old, a free workshop on self-defence was organised exclusively for girls by Rotaract Club of GSS in Belagavi.

The workshop recalled the tragic incident and hoped that self-defence might save several others from meeting the same fate. Karate master Jitendra B Kakatkar and senior karate trainer Saheer Shaikh conducted the workshop, which was attended by as many as 86 stu-

dents of Govindram Seksaria Science (GSS) College. Kakatkar stressed on the need of each and every girl to learn self-defence, which according to him is the need of the hour.

Kaktikar showed simple and effective tricks which can be helpful during self-defence. The girls who attended the workshop found it very helpful and requested organisers to take such initiatives once again for further training. The organisers have assured to conduct the workshop again.

Dr Nagaraj D Hegde, Principal of GSS College, Belagavi presided over the function.
