GREETINGS FROM KLE AYURWORLD

Subject: Communication on Collaborative research regarding.

We relish our continued relation on collaborative research between both the Departments. The Department of Geology, G.S.Science College, Belagavi and Department of Rasashastra & Bhaishajya Kalpana of Shri. B.M.Kankanawadi Ayurved Mahavidyalaya, Shahapur, Belagavi, have collaborations since 2008. This has also yielded fruitful outcomes in teachers, postgraduate scholars and under graduate students.

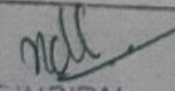

The details of outcome of this collaboration are given below.

I) Bridge Courses:

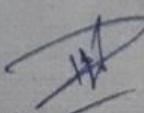

S.No	Name of the Bridge Course	Title	Number of Bridge courses already conducted
01	KHANIJA	Geological Identification of the Minerals and Ores	08

II) Dissertation Works:

S.No	Name of the P.G.Scholar	Title of the Dissertation work
01	Dr.(Mrs) Surekha Patil	"Preparation, Physico Chemical analysis and Antimicrobial study of Mugdha Rasa"
02	Dr.(Mrs) Savita Bhosale	"Preparation, Physico Chemical analysis and Antimicrobial study of Godanti Bhasma"
03	Dr.Gurav Desai	"Preparation, Physico Chemical analysis and Toxicity study of Kajjali W.S.R to different Parada Samples"
04	Dr.Basavraj Naik	"A Study of Geological Features and Occurrence of Vimala (Iron Pyrite) and It's Physico-Chemical Study After Shodhana and Marana",
05	Dr.Shrikanth Sherikar	"Screening of Free Radical Scavenging Activity and Immuno-Modulatory Effect of Swarnamakshika Bhasma (Chalcopyrite)"
06	Dr.Nikhil Thambhekar	"Identification of various market sampes of Naga according to grahya lakshana and lead percentage with physic-chemical studies after shodhana, Jarana and Marana"
07	Dr.Aishwaryavatidevi V.I	"Identification of shweta and rakta Akika according to grahya lakshana and comparative physic-chemical study after shodhana, marana and Pishthikarana"

III) Publications:

S.No	Name	Title of the Article
01	Dr. Savita B. Bhosale, Dr. R. S. Hiremath & Dr. P. T. Hanamgond	Petrological Study on Godanti (CaSo ₄ .2H ₂ O) Shodhana (Purification): An Interdisciplinary approach. J. Res. Educ. Indian Med., Vol. XVI (1-2): (2010) pp 41-44.
02	Dr. Surekha Patil, Dr. Raghuvver. H, Dr. R. S. Hiremath & Dr. P. T. Hanamgond	Identification of mineral Khatika (Chalk) with the aid of Geological Principles. Journal of Ayurveda, V.VI (3), 2013 pp 76-80.

IV) Present activities:

S.No	Academic Activities
01	Library books exchange programme
02	Staff exchange programs
03	Student exchange programs

V) Others:

S.No	Activities
01	Field visit for PG scholars
02	Identification of genuine raw minerals for research works

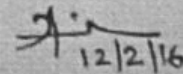

VI) Future plans:

S.No	Activities
01	Joint Research works

We would also seek for the continued education programs in future also.

Thanking you

Your's truly

Dr.R.S.Hiremath
