Intercollegiate Folk Dance Competition

Know your culture through Folk Dance

Dear Sir/Madam,

The rich cultural heritage of India lies in its many states, with their different climates, languages, attires, lifestyles, food habits and innumerable tales, all of which are reflected in their unique music and dance. Indian Folk dance is truly a wonder, a pleasure and a timeless treasure. Unfortunately, today's youth is ignorant and unaware of many of our folk dances. It is our duty to pass on our traditional and cultural values to the younger generations before it's too late.

It is in this context that the cultural department of our college is organizing an 'Intercollegiate Folk dance competition' on **10th of October, 2018**. It is our pleasure to invite the students of your college to participate in the competition and make our mission successful.

Please find the rules and regulations as well as the details of the competition in the enclosure attached with this invitation.

Dear Sir/Madam,

Culture is the essence of a society. The rich cultural heritage of India lies in its many states, with their different climates, languages, attire, lifestyles, food habits and innumerable fairs, all of which are reflected in their music and dance. Unique to each state, Indian Folk Dance is truly a wonder, a pleasure and a timeless treasure. Every Indian should be proud of its rich folk arts. Unfortunately, today's youth is ignorant and unaware of many of our folk dances. It is our duty to pass on our traditions and cultural values to the younger generations before it is too late. It is in this context that the cultural departments of our colleges initiated an 'Intercollegiate Folk Dance Competition' in the year 2019 and we wish to continue the same this year too, hoping an enhanced response by the colleges.

We are pleased to inform you that the department of Cultural Activities, GSS College, Belgaon, is organizing the second edition of 'Intercollegiate Folk Dance Competition' on the campus of our college complex. This will also provide the students a considerable opportunity for personality development and leadership training. We invite the students of your college to participate in the competition. Prof. B. S. Chakravarti

Organizing Chemist, GATE 2017 on behalf of NCB-GATE, for MHRD

The GATE 2017 score is calculated using the formula

$$\text{GATE Score} = S_g + (S_t - S_g) \frac{(M - M_g)}{(\bar{M}_t - M_g)}$$

where,

M is the marks obtained by the candidate in the paper, mentioned on this score card in GATE 2017

M_g is the qualifying marks for general category candidate in the paper

\bar{M}_t is the mean of marks of top 0.1% or top 10 (whichever is larger) of the candidates who appeared in the paper (in case of multi-session papers including all sessions)

$S_g = 350$, is the score assigned to M_g

$S_t = 900$, is the score assigned to \bar{M}_t

In the GATE 2017 score formula, M_g is usually 25 marks (out of 100) or $\mu + \sigma$, whichever is greater. Here μ is the mean and σ is the standard deviation of marks of all the candidates who appeared in the paper.

Qualifying in GATE 2017 does not guarantee either an admission to a post-graduate program or a scholarship/assistantship. Admitting institutes may conduct further tests and interviews for final selection.
